11th European Media Summit

30.11. – 02.12.2017

Leading media representatives, politicians and intellectuals are looking for alternatives, constructive ideas and solutions on a current topic at the 11th European Media Summit in Arlberg. The 2017/18 winter season starts with the Media Summit on 1st December 2017.

6th Snow & Safety Conference

30.11. – 02.12.2017

Skiing and snowboarding require risk-conscious and responsible behaviour – first and foremost away from the prepared pistes. Lech Zürs provides a total of 200 km of deep Alpine powder snow runs and is therefore the ideal location for the Snow & Safety Conference. Participants can obtain information at a wide variety of presentations, workshops and podium discussions, exchange views with experts, test the latest products, and hone their awareness of the dangers that exist.

Arlberg Weinberg

07. – 08.12.2017

A literal culinary summit meeting is taking place in Lech Zürs at the start of the 2017/18 winter season with the “Arlberg Weinberg” wine and gourmet fair. More than 30 top wine growers from all over the world are embarking on a pilgrimage to the Arlberg. They are being joined by first-class local restaurants and numerous top producers from Vorarlberg.

Fantastic Gondolas

09.12.2017

Fantastic gondolas is a unique mixture of visual art, space and sound installations, performances, DJs and live acts. For one night the gondolas of the Rüfikopf cable car will turn into a disco-gondola. The snowy mountains will become the projection screen and the top and base stations become the scene for an unprecedented festival event.

Zürs acoustic fireworks

01.01.2018

Lech Zürs traditionally greets the New Year with a spectacular acoustic firework display – uniquely choreographed firework effects in synch with the music.

The White Ring – The Race

20.01.2018

To provide a fitting celebration for the 50-year anniversary of the ski circuit between Lech and Zürs, the "White Ring – the Circuit", the first "White Ring – The Race" was held in 2006 and, since then, has developed into a unique cult race with an attractive supporting programme. With 22 kilometres of piste and 5,500 metres of altitude. The course record has been held from the start by Olympic and World Champion Patrick Ortlieb. For further information go to: www.derweissering.at

Tanzcafé Arlberg

01. – 15.04.2018

During the first two weeks of April, the bars and terraces of elegant hotels in Lech and Zürs will once again be packed with international music stars. A unique après-ski and festival atmosphere will reign over the entire region thanks to a diverse music of swing, electro-swing, jazz and nu-jazz, rock ,n' roll, boogie, latin pop and soul sounds.

Rüfi 900

07.04.2018

"Rüfi 900" is not for the faint of heart, but asks the participants to climb one of the steepest ski routes in the world. How the given distance is conquered is up to you. You can choose your equipment freely, as long as no motorized help is used.
